ECUADOR NEWS

Mexican cartels recruit Ecuadorian fishermen to transport drugs; 12 have been jailed in the U.S. this year

Dec 6, 2017 | CuencaHighLife |

Views: 741

By Liam Higgins

Fishing is a subsistence living for most of those who work the trade on Ecuador's coast. It requires long hours, most of them at night, in leaky open boats, far from shore. That's why eyebrows are raised when some fisherman suddenly buy new boats with powerful motors.

Even more eyebrows are raised when the fishermen don't come home.

"It's the drugs coming from Bolivia and Peru, going north to Colombia," says Maria Cardenas,
